

## **SENIOR ENGINEER – WATER / WASTEWATER**

Bosch Stemele, a level 2 BBBEE certified company and a member of the multi-disciplinary Bosch Holdings, founded in 1961, has an opportunity for a Civil Engineer. A Chemical Engineer meeting the requirements below will also be considered. This position will be based in Durban and reporting directly to the Divisional Manager: Water.

### **Key responsibilities will include:**

- Planning and Design of bulk water supply infrastructure, (including water and/or wastewater treatment facilities, bulk pipelines, pump stations, pipework design, valve chambers, intake structures, etc.)
- Process Design of water and/or wastewater treatment works will be an added advantage
- Managing the water/wastewater engineering team from project initiation to commissioning and handover within the time, quality and cost objectives
- Ensure that quality standards are achieved and maintained
- Oversee the commercial management and contract administration of each project, including tenders, adjudications, awards and claims management etc.
- Effective resources planning and reporting to achieve budget hours and costs
- Ensure Client satisfaction is achieved and Client retention

### **The ideal Candidate should:**

- Preferably have an MSc/BSc Civil Engineering Degree; an MSc/BSc Chemical Engineering Degree, with experience in water and wastewater process design will also be considered
- Be registered as a Professional Engineer with ECSA
- Registration as a PrCPM with SACPCMP will be an added advantage
- Have at least 10 years' experience in designing of bulk water supply infrastructure, with water and/or wastewater treatment works and process design being an added advantage
- Be familiar with relevant water/wastewater design packages, MS Projects, MS Word and MS Excel
- Have experience with preparation of procurement documentation and contract administration
- Be capable of functioning independently and as part of a project team
- Be prepared to travel within and outside RSA borders
- Have a valid driver's licence and passport

Applications, together with details of contactable references and supporting documents should be forwarded to:
