

REGIONAL MANAGER – GAUTENG OFFICE

Bosch Projects, a level 4 BBBEE certified company and a member of the multi-disciplinary Bosch Holdings, founded in 1961, has an opportunity for a Regional Manager. This position will be based in Johannesburg and reporting directly to the Director – Strategic Business Development.

Key responsibilities will include:

General Management:

- General management of office functions , staff and budgets
- Assist in development and implement agreed strategies to retain current business in the region and market sectors ,and attract new business on a sustainable basis
- Ensuring service excellence to the client base
- Ensure full compliance with the QMS requirements
- Preparation of required management monthly reports

Project Management

- Manage the project team(s) from take-on to commissioning and handover within the safety, time, quality and cost objectives (internal and client objectives).
- Resource planning and reporting (using PMR) to achieve budget hours (and costs)
- Manage the project team including engineering and commercial functions and staff.

The ideal Candidate should:

- Have a Bachelors degree in either Mechanical or Electrical Engineering
- Be registered as a Professional Engineer with ECSA
- Be registered with SACPCMP (this will be an added advantage)
- Have Project Management degree or diploma (this will be an added advantage)
- Have a minimum of 10 years' experience in a relevant heavy or industrial industry as an engineer
- Have a minimum of 5 years' in a consulting environment as an engineering consultant and/or project manager
- Proficient in managing multidisciplinary large type mining and or related process plant projects
- Have proven general office management experience
- Have proven experience in marketing initiatives
- Have proven leadership abilities
- Be prepared to travel within and outside RSA borders
